

# HAPPY BOAT

## DAY TOUR

### Koh Rong

Water around the island is clear and bays with wide beaches are separated from each other by rocks and cliffs. This makes Koh Rong island very picturesque. Walk around the cliffs, dive into clear water, relax in shadow of palm trees at these ashore. Our barmen will be pleased to make for you refreshing mojito, mai-tai and other cocktails.

entertainment / escape from routine

### Koh Koun

Slide down to refreshing water by water slides. Here is the place for one of the best snorkeling sites. We will provide you swimming masks and snorkels to enjoy underwater world of Gulf of Thailand.

snorkel swimming / fun

### Koh Rong Sanloem

There is wide lagoon hidden from nasty weather on the East side of island with broad shallow and clear water. The palm trees bowing down to white sands and blue sea, view of long piers crossing the bay compose unforgettable scene. Stroll along the shore stepping into warm water, relax laying on sand and feel yourself a real Robinson. Foam Party on the boat during the way back.

romance and serenity / time for tranquility
